

## TAREA INGLES- 6 de mayo

Hola chicos/as,

Espero que tengáis una idea más clara sobre los contables e incontables. Vamos a seguir con la siguiente unidad, en la cual vamos a hablar de los planes futuros, de las cosas que vamos a hacer por ejemplo, este verano o este fin de semana o mañana... en fin de nuestras intenciones para el tiempo que viene.

Ya hemos visto el tiempo que usamos para las cosas que estamos haciendo ahora mismo ( *example: I am reading this text now* ) y ahora vamos a ver las cosas que vamos a hacer después de leer esto, ( *for example: I am going to do my homework when I finish Reading this* ).

Para empezar, vais a copiar o pegar este cuadro en vuestro cuaderno:

### Future of intention- be going to

Affirmative	Negative	interrogative
I am going to play	I am not going to play	Am I going to play?
You are going to play	You're not going to play	Are you going to play?
He is going to play	He is not going to play	Is he going to play?
She is going to play	She is not going to play	Is she going to play?
It is going to play	It's not going to play	Is it going to play?
We are going to play	We are not going to play	Are we going to play?
You are going to play	You are not going to play	Are you going to play?
They are going to play	They are not going to play	Are they going to play?

Si sabéis ya el verbo **TO BE** que se supone que ya lo sabéis, va a ser muy fácil, porque como podéis ver en el cuadro es el verbo **to be** todo el tiempo seguido de **GOING TO** y el verbo en cuestión.

Examples: *I am going to watch the TV tonight*  
*He is going to sleep in ten minutes*  
*They are going to walk the dog in an hour*
