

Buenos días, espero que os encontréis todos bien, al igual que vuestras familias, y con ganas de trabajar.

Como os comenté el otro día, hoy os mando la corrección de los ejercicios del workbook. Espero que los comprobéis tranquilamente, haciendo hincapié en los posibles fallos.

Ya os mandaré algunas actividades de repaso en los próximos días, cuando dejemos zanjado el trabajo que os puse en clase antes de marcharnos.

Si tenéis alguna duda en la realización de las tareas propuestas, mandadme un correo para solucionarlo.

Os sigo echando de menos y espero que nos veamos pronto.

Un besazo muy fuerte.

EXERCISE 4:

Complete the text with the correct form of the phrasal verbs in the box.

fill up plug in turn down turn off turn on turn up

My mum isn't good with technology! The other day, she organized a dinner party for a lot of people to celebrate my dad's birthday. She prepared a lovely fish pie, but when she served the food, it was cold. She didn't **turn on** the oven! She also **turned off** the dishwasher early and she didn't have any clean dishes. Sometimes she **fills up** the dishwasher with clothes and the washing machine with plates! She keeps forgetting to **plug in** the television, so misses the beginning of her favourite programmes. And when she does have the TV on, she **turns up** the volume so loud it hurts my ears. I use the remote control to **turn down** the volume and she thinks there is something wrong with the TV!
